MESSAGE FROM THE PRESIDENT

Hello everyone,

Spring has sprung and we are slowly seeing a return to sunny days and, most importantly, warmer days.

As this newsletter goes to print, *MLM is for Murder, or Your Side Hustle is Killing Us* is nearing the end of its run. This has been an enjoyable time, working on a bright, modern comedy (with a dark twist) has been a great deal of fun. I would like to thank director Rodney Stickells-Palmer for stepping up and putting a great show on in a much-shortened preparation time. Thanks also to cast and crew for bringing the show to our audiences. You have done us proud!

The Boy Friend, our final offering for the year is in rehearsal. Another wonderful year end production (who can forget Bernie's Old Time Music Hall?) Director Susan Vincent and her talented Assistant Director (our very own Kerry Goode), Musical Director Kendra Hamersley and Choreographers Colleen Bradford and Colleen Hopkins. A bright and funny musical, be sure to book your tickets early so you don't miss out.

Bookings: www.TAZtix.com.au/garricktheatre or phone TAZtix 9255 3336

Our AGM is also fast approaching. Be sure to save the date in your calendar. If you are unable to attend, you can appoint a proxy who you can direct to vote for you. You, as members, are the foundation of our wonderful theatre and your involvement is so very important and valued.

On a very sad note, we are all saddened to learn that James Nailen-Smith's lovely partner Vicky Kendall passed away recently. I am sure we all join in sharing our condolences to James and family and sending him all our thoughts and prayers at this sad time.

Until next time, see you at the theatre.

Cheers,

Roxi

This latest information from [Donald Allen](#) regarding lighting workshops.

Theatre Lighting Workshops - I am running two theatre lighting workshops at The Garrick Theatre on Saturday 7 October 2023. The first is **An Introduction To Theatre Lighting**, running from **10am to midday**, that will look at the difference between natural light and theatre lighting, then looks at how good lighting design can complement productions, including drama, musicals and dance. This will directors an overview of what lighting can do, how long it takes to set up and how it interacts with sound, projection and staging. The second workshop **A Practical Guide To Theatre Lighting** runs from **12:30 to 5pm** and will provide an in depth coverage of script analysis, purpose of production meetings, creating a lighting design for *The Boyfriend*, which is a musical, rigging, focusing, plotting then running a show on a Zero88 FLXS48 lighting desk. For further details see <https://www.theatrelightingworkshops.com/> . There is no charge for this workshop as we hope to recruit a lighting designer for *The Boy Friend* <https://www.taztix.com.au/event/garricktheatre/#boy> and two lighting operators. Contact email is on my website.
